## VERTRAU BLAU

Trust In The Blue

- Fast & convenient in cutting & light grinding
- Unsurpassed quality & safety due to robust design
- Avoids inconvenient, time-consuming wheel changes
- Lasts longer and more versatile than a thin cutting disc

# Cut & Grind with DUODISC

## Get the job done with one wheel

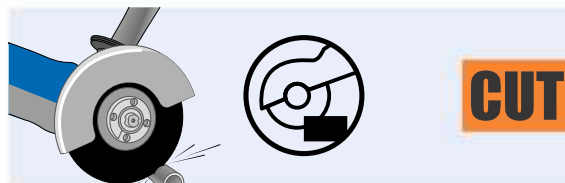

### Suitable for:

steel, stainless steel (INOX)

### Applications:

cutting, deburring, surface grinding, work on fillet welds, grouting, weld dressing

- Safe, standard-compliant solution for cutting and face grinding with just one tool.
- Time savings due to fewer wheel changes.
- Widths 1.9 mm also ideal for cordless angle grinders.
- Problem solver for grinding work on scale.
- One disc suits most applications. Perfect for site and service vehicles.
- Safety tested as a grinding wheel. Six times stronger than a cutting wheel.
- Complies with AS 1788.1

### DUODISC depressed-centre type E (shape 27)

Article Number	Size	Description	Max. RPM	
62010630	100mm (4")	E 100-1.9 PSF DUO STEELOX	15,300	10
62011630	115mm (4 1/2")	E 115-1.9 PSF DUO STEELOX	13,300	10
62011620	115mm (4 1/2")	E 115-2.8 PSF DUO STEELOX	13,300	10
62012630	125mm (5")	E 125-1.9 PSF DUO STEELOX	12,200	10
62012620	125mm (5")	E 125-2.8 PSF DUO STEELOX	12,200	10
62017420	180mm (7")	E 180-3.5 PSF DUO STEELOX	8,500	10

### Safety Recommendations

Wear eye protection!

Wear hearing protection!

Wear a dust mask!

Wear gloves!

Follow the safety instructions!

Do not use if damaged!
